## Communication Policy

2015-2017

### AIM

Provide a framework for effective communication.

## RATIONALE

The Communication Policy focuses on the following:

- Building positive relationships between home and school and the community based on mutual respect and trust that results in success for all students
  - Ensuring the wellbeing of students and improvement of their learning outcomes.
- 

## GUIDING PRINCIPLES

The Communication Policy aims to:

- Provide a framework for effective communication
- Create co-operative teamwork and partnership between school, parents/carers and students and the community
- Assist the best learning outcomes for students
- Ensure that the College Values are reflected through effective communication

Effective communication encompasses the exchange of ideas, where people feel they have been heard and their opinions valued, and where information is clear and accurate. Communication needs to be related to student performance, welfare and behaviour, as well as school related issues.

Communication should be respectful, timely and relevant, allowing for open and honest interaction. See Appendix A.

- This policy should be read in conjunction with the 'Raising Concerns and Complaints Policy'
- 

## DEFINITION

This policy refers to the following forms of communication:-

- |                                      |              |                      |

## SCHOOL APPROACH

### Parent / Teacher Communication through Email/Parent Portal:

As the purpose of email communication will differ with each case, it is expected that the guidelines will be adapted to the individual need.

If a parent/carer requests a school email address, teachers should provide them with either/or the teacher's own lalorsc email address or edumail address or be directed to the school's website.

Should staff choose to communicate via email with parent/carers, they will need to record this in the Chronicle section of Compass for the specific student.

The guidelines have been developed to encompass most email communication situations.

### **1.0 Teachers writing email to Parent/Carer:**

#### **1.1 General:**

It is expected that staff respond to parent/carer emails within two working days. If a staff member is unable to respond in full to the query made, then it is expected that a short email explaining that the matter is being looked into or information gathered is sent within the two working days.

All email communications between Parent/carers and teachers are to be between 8.30am and 8.00pm Monday to Friday.

## **1.2 Home Group Teacher:**

A Home Group teacher may be emailed by a parent/carer to discuss their child's welfare. It is the Home Group teacher's responsibility to provide the parent/carer with the relevant information, in consultation with the Student Managers, Sub School Leaders other subject teachers and the Wellbeing Team (if relevant).

## **1.3 Subject Teacher:**

If a parent/carer sends an email requesting information about their child's progress, teachers are obliged to respond. Discussion about student progress is not exclusive to the Parent Teacher Conferences. It is the right of parents/carers to ask about how their child is progressing at school. It is the school's obligation to provide this information when requested and the teacher's responsibility as the school's employee.

If a parent/carer requests an update on all their child's studies, it is advised that they be directed to a relevant Student Manager or Sub School Leader.

## **1.4 Difficult email: (refer also to the School's 'Raising Concerns and Complaints Policy')**

If the tone of email from the parent/carer is perceived as aggressive, it is recommended the staff member seek advice from the relevant Student Manager, Sub School Leader or the Assistant Principal.

- a. Do not respond in kind (i.e. aggressive).
- b. Be respectful in the tone and language used.
- c. Acknowledge the concern they have raised in the response and if possible address each of the issues separately.
- d. Student Managers or Sub School Leader should be asked to proof read the email.
- e. 'Cc' the response to the relevant Student Manager, Sub School Leader and Assistant Principal.
- f. If unsure how to proceed, advice must be sought from the relevant Student Manager, Sub School Leader and Assistant Principal.

## **1.5 In all cases:**

- a. Be respectful in the tone and language used. Re-read the email out loud to determine whether the tone or words could be misinterpreted.
- b. Ensure concerns raised have been addressed – where this is not possible, staff members are to provide advice to the parent/carer of the person who will be able to assist them.
- c. In communication with parents/carers, staff members should not dismiss their concerns or use a dismissive tone – while the issue raised might appear minor at the school level, at the parent/carer level it is usually a priority.
- d. If unsure of the tone, the staff member should have a colleague read the email or pass it by a Student Manager, Sub School Leader or Assistant Principal.

## **2. Parent/Carer writing emails to Teachers:**

Parents/carers are encouraged to communicate with individual staff members via email (located on the school website) [Link – Contact Us](#).

If the parent chooses to communicate via email with a staff member they will need to outline the nature of the communication and include student name, Home Group and a subject heading in the email.

### **2.1 General**

If a parent is contacted by a staff member, it is expected that the parent/carer will respond to the email within two working days. If a parent/carer is unable to respond in full to the email, it is expected that a short email be sent explaining that the matter is being looked at and/or that further correspondence or contact will be made either by appointment or by telephone within two working days.

All email communications between Parent/carers and teachers are to be between 8.30am and 8.00pm Monday to Friday.

## 2.2 Emails to Home Group Teachers

When Home Group teachers are emailed by a parent/carer to discuss their child's welfare, Parent/Carers are expected to allow two working days for the relevant information to be collected, in consultation with the Student Managers, Sub School leaders, other subject teachers and the Wellbeing Team (if relevant).

## 2.3 Emails to Subject Teacher:

If a parent/carer wishes to determine how their child is progressing in a particular study, an email requesting such information should be sent directly to the subject teacher in question. If a parent/carer has concerns with particular aspects of their child's work in a study, it is recommended that parents/carers address this prior to Parent Teacher Conferences. Should a parent/carer not receive a response to their email within two working days, it is suggested the relevant Sub School Leader be alerted to this via email.

## 2.4 Difficult Email:

If the tone of email from the teacher/staff member is aggressive, it is recommended the parent/carer inform the relevant Student Manager, Sub School Leader or the Assistant Principal.

- a. Do not respond in kind (i.e. aggressive).
- b. Be respectful in the tone and language used.
- c. Acknowledge the issue they have raised in their response and if possible address each of the issues separately.
- d. 'Cc' the response to the relevant Student Manager, Sub School Leader and Assistant Principal.

## 2.5 In all cases:

- a. It expected that parent/carers are respectful in the tone and language used. Re-read the email out loud to determine whether the tone or words could be misinterpreted.
- b. Ensure all concerns raised have been addressed.
- c. In communication with staff members, parent/carers should not dismiss their concerns or use a dismissive tone.
- d. If unsure of the tone, the parent/carers are encouraged to have a critical friend read the email.

## 3. Student emails to Teachers

Students are encouraged to communicate with individual staff members via email (located on the school website) [Link – Contact Us](#).

If the student chooses to communicate via email with a staff member, they will need to outline the nature of the communication and include the student name and Home Group and Subject heading in the email.

All communication via email from student to teacher/staff member must be consistent with the aim, rationale and guiding principles outlined in the Communication Policy.

### In all cases:

- a. Be respectful in the tone and language used. Re-read the email out loud to determine whether the tone or words could be misinterpreted.
- b. If unsure of the tone, the students are encouraged to have a colleague read the email.
- c. If the email by the student or teacher/staff member is aggressive in nature 'Cc' the email to their parent/carer and the relevant Student Manager, Sub School Leader and/or Assistant Principal.

## Diary Communication

### 1. Staff Diary Communication

Diary communication needs to be:

- Written on the left hand side of the college diary (the lined side is for homework)

- Preferably written in the space allocated to the date of communication
- Brief and factual. E.g. Ancient Egypt assignment due 22/8 not received.

Staff members are expected to sign as acknowledgement of receipt any note in the student's diary.

Staff members are expected to follow up parent signatures on notes written by them in student diaries. If the note does not have a parent signature, the member of staff may:

- Call the parent, or
- Ask the relevant Student Manager to follow-up.

Note:

- 1.1 Students are expected to have a diary which is taken to all classes and home each night.
- 1.2 Provision is made for the Home Group teacher and parents to sign the college diary weekly.
- 1.3 Positive comments are also encouraged.

## 2. Parent / Carer Diary Communication

Teachers may communicate with parents via the student diary. Parents may also use the diary to communicate with a teacher. Parents are able to make brief comments to teachers using the left hand side of the diary. Notes should be counter signed by the receiver to acknowledge receipt.

Note:

- 2.1 Students are expected to have a diary which is taken to all classes and home each night.
- 2.2 The college diary has provision for parents to sign on a weekly basis.

## Telephone Communication

### **Calls from teachers to parents:**

As part of the VIT Teachers Professional Standards it is imperative that teachers communicate regularly with parents. One method which will assist in this ongoing and regular communication is the use of telephone calls and messages.

Teachers may communicate to parents by telephone by obtaining family telephone details from Compass. (such communication must be recorded on Compass in the Chronicle Section).

If telephone communication attempts have failed this must be recorded on Compass in the Chronicle section.

Other important information may include any special communication restrictions between primary and secondary carers.

### **Calls from parents to teachers:**

Parents contacting the teacher by telephone, will be directed to the teacher's answering service which is connected to each staff members internet account. A message will then be left on the edumail account in the form of a voice file.

Staff are expected to check their edumail account on a regular basis / daily basis and respond to telephone messages.

In the interest of protecting privacy, no teacher is to provide private or home telephone numbers to parents/guardians. All telephone communication is to be made to and from the school number.

On receiving a phone message from a Parent/Carer:

#### **1. General:**

It is expected that staff respond to the phone messages within 48 hours. If a staff member is unable to respond in full to the query made, then it is expected that a short courtesy call explaining that the matter is being looked into and that a time for meeting or another phone call will be made by a specified date.

## 2. Home Group Teacher:

Parents may try to communicate with Home Group teachers to discuss their child's welfare whilst at school. It is the Home Group teacher's responsibility to provide the parent with the relevant information, in consultation with the Student Manager, other subject teachers (if relevant) and the Wellbeing Team (if relevant).

## 3. Subject Teacher:

If a parent leaves a telephone message requesting information about their child's progress in your study, teachers are obliged to respond. Discussion about student progress is not exclusive to the occasion of Parent Teacher Conferences. It is the right of parents to ask about how their child is going at school. It is the school's obligation to provide this information when requested.

If a parent leaves a message to one teacher requesting an update on **all** their child's studies, it is advised that the Student Manager respond. The teacher in question needs to inform the parent that the request will be forwarded to the Student Manager.

## 4. Difficult Phone calls:

Should the tone of phone message the parent/guardian has left be aggressive, it is recommended you seek advice from the relevant Student Manager or the Assistant Principal.

- a. Do not respond in kind (i.e. aggressive)
- b. Be respectful in the tone and language used
- c. Acknowledge the concern they have raised in your response and if possible address each of the issues separately.

## 5. In all cases:

- a. Be respectful in the tone and language used.
- b. Ensure concerns raised have been addressed – where this is not possible, provide advice to the parent/carer of the person who will be able to assist them.
- c. In communication with parents/carers do not dismiss their concerns or use a dismissive tone – while the issue raised might appear minor at the school level, at the parent/guardian level it is usually a priority
- d. If you are unsure of the tone, have a critical friend listen to the message or pass it by a Student Manager or Assistant Principal

## Student Management Communications

There are many occasions where Student Managers or Sub School Leaders will need to communicate with parents/carers as a result of enforcing the Student Code of Behaviour.

### a. After School and Saturday Detention

Students are issued a detention as a result of contravening the Student Code of Behaviour. Parents/carers will be informed of a student being issued a detention in the form of an SMS and email message automatically generated by the Compass system at the time of issuing. A letter detailing the infringement, the time and date of the detention will be issued for Saturday detentions.

Parents/carers are required to acknowledge receipt and understanding of the consequences by signing the relevant section and have the student return it to the staff member on duty for the detention.

### b. Suspensions

Parents/carers will be informed via a phone call of any suspensions a student might incur as a result of a contravention of the Student Code of Behaviour. An email and SMS will also be sent as confirmation of the suspension on completion of the relevant paperwork through the Compass system. Reasons for the suspension will be provided during the phone call.

Parents/carers will receive the notification of suspension via email (if provided) and mail within 3 days of the suspension being issued.

### c. Student Absences

Parents are required to contact the school on the absence line on the same day as a student absence. Details should be provided explaining the absence and the length of time of the absence.

If the absence is for an extended period and is anticipated, parents/carers must inform the relevant Student Manager directly.

### **Short Messaging System (SMS)**

a) Silent Planning Room (SPR)

When a student is sent to the SPR a text message will be sent to the parent/carer.

b) Other purposes for SMS communication

Communication with parents/carers can be instigated using SMS. Any SMS sent to parents/carers will be completed by the Student Attendance Officer or a member of the Principal Class. SMS is a suitable communication tool and will be used in the following instances;

- Whole school, year level, class reminders or individual students, for example, parent teacher conferences, early finishes, Saturday detention reminders and excursion information.
  - Messages to a parent/carer to contact the school if there is an issue and other forms of communication have been unsuccessful.
  - Any SMS (apart from the SPR message) shall be approved by a member of the Principal Class.
