

REQUISITE CHARGES 2016

(Reviewed annually and subject to change)

School requisite charges (fees) are used at the College to cover costs that the Department of Education and Training does not cover and include provision of the following:

- School diary
- School photographs (Class and individual portraits)
- School magazine "Milpera"
- Library facilities
- ID Card
- Lockers
- Careers Information
- Information technology resources
- Initial Printing Credit

Students are not excluded from activities for non-payment of the requisite charge but to be fair to all, parents are encouraged to contribute.

The School Council has made every effort in recent years to keep the charges as low as possible and at the present time they are:

11	\$145.00
