If you need help to understand the information in this policy please contact the general office Ph 9463 7300

PURPOSE

The purpose of this policy is to

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensure students, staff and parents/carers have a shared understanding of the importance of attending school
- explain to school staff and parents the key practices and procedures Example School has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences.

SCOPE

This policy applies to all students at Lalor Secondary College.

This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of Lalor Secondary College, parents and School Attendance Officers under legislation or the School Attendance Guidelines.

DEFINITION

Parent – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* (Cth) and any person with whom a child normally or regularly resides.

POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend Lalor Secondary College during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student

- the student has a dual enrolment with another school and has only a partial enrolment in Example School, or
- the student is registered for home schooling and has only a partial enrolment in Lalor Secondary College for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

Lalor Secondary College believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged approach a teacher and seek assistance if there are any issues that are affecting their attendance.

Lalor Secondary College parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents will communicate with the relevant staff at Lalor Secondary College about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

SUPPORTING AND PROMOTING ATTENDANCE

Lalor Secondary College's *Student Wellbeing and Engagement Policy* supports student attendance.

Our school also promotes student attendance by presenting opportunities for students to contribute to the school, while offering a range of supports for students around their attendance. Lalor Secondary College has the following strategies to effectively engage students in their learning by:

- Promoting pro-social behaviours that are through many programs.
- Scheduling Student Conferences that provide opportunities for students to share goals and reflections with their parents/carers and set new/modified goals for the coming semester/term.
- Providing student leadership programs such as: School Captain, SRC, Sports Captains, House Captains, Arts Captains, Stem Captains, Class Captains, SMAD (Students making a difference) and other roles of responsibility that provide opportunities for students to influence change within the school community.
- Encouraging student voice through the use of student forums held once a term as well as student led assemblies.
- Encouraging parents/carers and the wider community to be involved in the school's programs.
- Early intervention to identify/respond to student needs for social and emotional support.
- Providing of a range of opportunities for students to be involved and feel connected to the community.
- Recognising and responding to the diverse needs of our students through the PSD Support program.

- Adaption of current pedagogical knowledge and thinking to engage students in meaningful learning experiences.
- Encouraging students to achieve full attendance to maximise their ability to learn and our teachers' ability to teach effectively.
- Providing a clearly communicated whole school approach to Welfare and Discipline to encourage engagement; build pride, respect and responsibility.
- Developing intensive literacy and numeracy improvement strategies implemented as part of the school improvement agenda and in response to the changing demographics.
- Ensuring that professional learning is given high priority to ensure strategies and approaches are adopted and implemented.

RECORDING ATTENDANCE

Lalor Secondary College must record attendance in every class. This is necessary to:

- meet legislative requirements
- discharge Lalor Secondary College's duty of care for all students
- meet Victorian Curriculum and Assessment Authority requirements for VCE students

Attendance will be recorded by the classroom teacher at the start of each lesson using Compass.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

RECORDING ABSENCES

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Lalor Secondary College of absences by:

- Providing an explanation to the school on the day their child is absent where possible by phone, or in writing on the day their child returns. If the absence is an extended one then the parent is expected to ring the school.

If a student is absent on a particular day and the school has not been previously notified by a parent, or the absence is otherwise unexplained, Lalor Secondary College will notify parents by SMS via Compass. Lalor Secondary College will attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

If contact cannot be made with the parent (due to incorrect contact details), the school will attempt to make contact with any emergency contact/s nominated on the student's file held by the school, where possible, on the day of the unexplained absence.

Lalor Secondary College will keep a record of the reason given for each absence. The Principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Lalor Secondary College considers that the parent has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'.

The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- school refusal, if a plan is in place with the parent to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent notifies the school in advance. Though there are no approved family holidays for students studying VCE subjects due to the attendance requirements and needs of in person delivery for aspects of the VCE.

If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an 'unexplained absence' and recorded on the student's file.

Parents will be notified if an absence has not been excused.

MANAGING NON-ATTENDANCE AND SUPPORTING STUDENT ENGAGEMENT

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than five days, Lalor Secondary College will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from relevant student wellbeing staff

We understand from time to time that some students will need additional supports and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required.

REFERRAL TO SCHOOL ATTENDANCE OFFICER

If Lalor Secondary College decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer in the Greensborough Regional Office for further action.

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the Principal may make a referral to a School Attendance Officer if:

the student has been absent from school on at least five full days in the previous 12 months where:

- the parent has not provided a reasonable excuse for these absences; and
- measures to improve the student's attendance have been undertaken and have been unsuccessful

the student's whereabouts are unknown and:

- the student has been absent for 10 consecutive school days; or
- no alternative education destination can be found for the student.

FOLLOWING UP ABSENCES - SCHOOL PROCESSES

Most absences will be excused and require no further follow up. (See Appendix A)

Where absences are of concern due to their nature or frequency, the school will involve the parents and the student as appropriate in developing strategies to improve attendance.

Parents should be informed that if a student has repeated absences without a reasonable excuse or explanation, the parent may be issued with a School Attendance Notice from a School Attendance Officer.

Notes:

- CASES21 and Compass provide letters to be used for notifying parents of absences and seeking explanations.
- Schools should keep records of all attempts to contact parents or students and any information obtained.

Appendix B

Dear «PARENTS»,

It has come to my attention that your child «M_1ST_NAME» «SURNAME»'s rate of absenteeism has increased recently.

Students develop good habits by attending school every day, habits that are necessary to succeed after school, whether in the workplace or in further study. Missing school can have a big impact on students academically and socially, it can affect their test results, including VCE, and just as importantly, it can affect their relationships with other students, and lead to social isolation.

We are concerned about «M_1ST_NAME»'s recent absences and ask that you please contact Mr Carey or Miss Laird on 9463 7300 as soon as possible to address these concerns, so that we can work together to make every day count.

Appendix C

Dear parent/guardian,

Following our previous contact on <<student>>'s attendance; it has been brought to my attention that <<student>> has continued to be absent from school. These absences have not been explained by you as required by the Department of Education & Training (DET). The date/s of the absences recorded on Compass are attached.

Our school attendance policy, which is supported by DET's School Attendance Guidelines, requires that we address non-attendance. The unexplained absences to date may also mean that you may not have met your obligations under the Education and Training Reform Act 2006.

I have attempted to contact you by phone on to discuss this matter.

I am very concerned about this emerging pattern of non-attendance and I am requesting that you contact the school to make an appointment with me or the assistant principal to discuss possible solutions for improving <<Students>>'s attendance. In partnership we can work to ensure that your child can participate fully in his/her learning.

For further support you might like to contact the Parentline Victoria 132289
www.parentline.vic.gov.au.

Appendix D

Dear parent/guardian,

As of the 1st of March 2014 new procedures were introduced for Victorian schools to record, excuse, monitor and follow up student attendance in order to meet the requirements of the Education and Training Reform Act 2006, Education and Training Reform Act 2007 and Education and Training Reform (school Attendance) Regulations 2013.

We are now obliged to refer cases of unexplained absences to a School Attendance Officer and a school attendance notice will be issued, when;

- The student has been absent from school on at least five full days in the previous 12 months and the parent has not provided a reasonable excuse for these absences

- Measures to improve the student's attendance have been undertaken and been unsuccessful, or are inappropriate in the circumstance
- A parent responsible for the absences can be identified

If the parent does not respond to the School Attendance Notice within the prescribed time, then according to the new regulations, the parent has committed an offence and an infringement notice may be issued.

Schooling is compulsory for children and young people aged from 6-17 years unless an exemption from attendance or enrolment has been granted by the Department. Daily school attendance is important for all children and young people to succeed in education and to ensure they don't fall behind both socially and developmentally. Children and young people who regularly attend school and complete Year 12 or an equivalent qualification have better health outcomes, better employment outcomes and higher incomes across their lives. It is important that children develop habits of regular attendance at an early age.

Students are expected to attend the school in which they are enrolled, during normal school hours every day of each term, unless;

- There is an approved exemption from school attendance for that student, or
- The student is registered for home schooling and has only a partial enrolment in a school for particular activities.

Your child «**M_1ST_NAME**» «**SURNAME**» of HG «**HG**» has the following whole days absence for which no reasonable excuse (as per the regulations) has been provided. Please find summary of absences attached.

As a result;

- You may have not met your obligations under the Education Training and Reforms Act 2006
- An accumulation of these absences could lead to a School Attendance Notice
- Failure to comply with the School attendance notice may result in the issue of an infringement notice by the Department

This is the third time we have written to you regarding your child's unexplained absences and we hope to give you another opportunity to clarify reasons for the absence/s indicated above. Please provide a written explanation for these absence/s by the **6th September 2019**.

We look forward to receiving this information from you.

Appendix E

Dear Parent/guardian,

<<student>> has continued to be absent from school on a regular basis.

Up to the date of this letter, <<student>> has not attended for days this year which means he/she have only been at school for% of the current school year.

Prior to sending this letter the following actions have been undertaken by the school to promote your child's attendance and participation in their education: [Select from the list]

- Phone calls home
- Letters home
- Individual Learning Plans taking into account individual support needs
- Home visit by a staff member, Welfare Officer or KESO
- Referral to Youth Connections
- Referral to the school's Student Wellbeing Officer or Coordinator
- Recommended referral to a Schools Student Support Officer
- Student Attendance Support Group
- Creation of a Supported Attendance Plan

According to the Education and Training Reform Act 2006 a child must attend school until the compulsory school age of 17. This means that you may not have met your obligations under the Act and an accumulation of these absences could lead to a notice from a School Attendance Officer.

Every endeavour must be made to ensure <<student>> can participate fully in education. Poor patterns of attendance place students at risk of not achieving their educational, social and psychological potential. Such students are often disadvantaged in the choices that are able to make later in life.

I am requesting that you contact me with 7 days to arrange an Attendance Student Support Group meeting with a view to working in partnership with you to develop a support plan so that <<student>> can participate fully in their education.

For further support you might like to contact Parentline Victoria 13 22 89 www.parentline.vic.gov.au

Ongoing attendance issues will be referred to the Principal in accordance with our Attendance and Engagement Policies.

Appendix F

Dear Parent/guardian,

I write in reference to the letter dated 00/00/00 relating to the poor attendance record for your son/daughter <<student>>.

DET requires schools to closely monitor student attendance and respond where there are unexplained absences or absence levels are of a concern. We have invited you on four occasions, to discuss and develop a plan to improve <<student>>'s attendance.

You may not have met your obligations under the Education and Training Reform Act 2006. An accumulation of these absences could lead to a School Attendance Notice from the DET Regional Director, the school Attendance Officer. Failure to comply with the School Attendance Notice may result in the issue of an Infringement Notice.

This matter will now be referred to the School Attendance Officer.

Please contact the school if you would like to discuss this matter further.
